

Dear Parents,

I am so glad that your child will be joining us this summer for camp. Here is some information that will be helpful as you prepare to send your child off to camp. Inside this packet you will find:

- 1) What to Bring List
- 2) Medical instruction sheet: **This must be filled out prior to camp if your child will be bringing medications to camp.**
- 3) Camp Spending Money Form
- 4) Camp Contact Information
- 5) Drop off/Pick up Instructions

On the first day of camp your child will be asked to choose two tracks (weeklong activities) listed below. It is helpful, if kids will consider these options before arriving at camp. Please note that some tracks may be added or canceled based on interest and staff availability.

- 1) Team Sports (kickball, basketball, football, volleyball etc.)
- 2) Water Games (depending on weather). Water balloon toss, slip n slide, water kickball.
- 3) Art
- 4) Drama
- 5) RA Racers (box car derby cars): Create your own box car derby car.
- 6) Nature Walking (low impact): Fun walks through nature learning about God's creation, creative writing and reflecting
- 7) Trekking (higher impact, children will get wet and will need to wear tennis shoes). Journey up the creek and discover God's Amazing world.
- 8) Mountain Biking
- 9) Archery
- 10) Fun with Food: Prepare and eat simple fun snacks
- 11) Music: Learn fun songs and musical games
- 12) Mad Science

Please talk to your camper about the level of contact that you feel is appropriate after camp and make a plan for what contact information they can share. Adults and teens are not allowed to communicate with campers through social media without parent permission. We ask that campers not post photos of other campers online since not all parents want their camper's image on the web. For safety reasons, please do not publish children's names on social media.

I am so excited that your child will be joining us. If you have any questions please feel free to contact your church leader or myself. See you at Camp.

Camp Contact Information

The best time for parents to come and see the camp is at the designated drop off and pick up times. In between those times the best way to stay in touch with your child is through:

E-mail: I will check my e-mail daily and can print messages from you for your child. You can e-mail me during the week at ibakidsmin@gmail.com.

Notes: you can pre-write notes and leave them with registration at drop off and we will give to your child on days you specify. (Please do not send packages or notes to the camp address, they usually will not arrive in time).

Phone: In the case of an emergency call, Camp Office: (503)622-3189, Bev's Cell (503) 537-7403, or Lila's Cell (503) 720-3263.

For security purposes anyone who comes to the camp for any reason other than at drop off and pick up must be cleared through Bev or Lila prior to coming to camp.
