April 2025

Digital Information Packet!

Dear Church,

We are excited to share this year's **Preteens in Action Camp** (PAC) information with you & we invite you to join in sending children, teens on mission, and adults on mission for this life-changing opportunity! PAC is an annual camp for those who have completed grades 3-6, coordinated by the Interstate Baptist Association (IBA) in cooperation with the High Desert Baptist Association (Oregon).

Why do people come to PAC? *Beyond being a **fun, awesome, & memorable** event...*

- **Life-changing decisions** for Christ are made from salvation, to missions, ministry, & more!
- **Lasting relationships** between your kids & leaders are built through church group gatherings!
- **A positive, Christ-centered identity** is developed!
- **More Bible instruction** is received at camp than six months of Sunday mornings!
- **Youth & adult volunteers grow massively** as disciples & leaders for your church!

If you are new to the PAC experience, we are available to help you make this happen!
This year we return to **Camp Arrah Wanna** (Welches, OR) from **August 11-15, 2025**.
One adult I is required to attend with each 5 campers.

Each church needs a **PAC Coordinator** who will:

- **Promote camp to your congregation:** Use our posters & [Facebook](#) posts; if you need help with printing or want us to create some bulletin inserts or announcement slides for you, let us know.
- **Distribute and collect the necessary forms:** See the next page for these & an organizing form. Verify each adult's background check is completed.
- **Collect and submit payments:** Send these to the same PO Box above

PAC Coordinators do not *need* to attend camp (but they are welcome!), they help others attend.

Please email us your church name, city and PAC coordinator contact information. We are available to assist you in this process once we have your contact information. Thank you!

This packet (& our website) includes everything you need to promote camp and ensure your children and volunteers are prepared to come. Unfortunately, camp costs go up with inflation; start fundraising now so you can provide for your campers & volunteers to attend!

Don't let your kids & mission-minded members miss out on this amazing experience & incredible opportunity to grow in the Lord & build lasting, life-changing relationships!

With Joyful Expectations,
Matthew Ellis & Sara Eves Co-Directors

Financial Help

IBA offers scholarship and fundraising resources so that
every child & church has the opportunity to be a part of PAC.

[Scholarship
Application](#)

[Fundraising
Help / Ideas](#)

Each church should send at least 1 counselor for every 5 preteens.
If you cannot do this, please reach out and let us know your unique
situation. [Click here](#) to see how we protect children at PAC.
