

Additional Forms

PAC 2026

Greetings PAC Participants,

PAC registration is now online. Connect with your **Church PAC Coordinator** to register yourself as a volunteer or your 3rd-6th grader as a camper.

After you have submitted your online registration, the confirmation page will reveal links to these additional forms, they are also emailed to you:

1. CAW Release Form
2. PAC Emergency Information & Release
3. Medication Information Sheet (Minors)

Forms 1 & 2 must be completed & signed for every attendee (adult, teen, child).

Form 3 is for every child that is bringing medications (to include vitamins & supplements). Complete & sign this form, then include it in a clear Ziploc bag with the child's medications/etc., which must be in their original bottles. Medication will be stored with the camp nurse and administered according to the instructions on this sheet.

After you have registered, if you cannot find these forms, reach out to your Church PAC Coordinator.

Thank you!

Sincerely,
Matthew & Sara
PAC Co-Directors
