

Digital Information Packet Note

PAC 2026

Greetings PAC Participants,

Our processes have changed & this *Digital Information Packet* is only given to **Church PAC Coordinators**. This packet will include:

1. Direct Links to our Webpage: For these resources: (1) **Camp Brochure**; (2) **Camp Poster**; (3) **Fundraising Ideas**; (4) **Packing List**; (5) **Tentative Schedule**
2. TOM Application Link: **Due June 14!** TOMs now arrive 1 day early (August 9, between 5-6pm) to help setup & build community
3. Camp Registration Link: **Due July 5!** This is how participants are now registered. We do **not** have any paper registration or application forms!
4. Direct Links to the Post-Registration Forms: These forms are available on the online registration confirmation page & are also emailed to each register:
 - a. **CAW Release Form**: Completed for **every** attendee (adult, teen, child)
 - b. **PAC Emergency Info. & Release**: Completed for **every** attendee
 - c. **Medication Information Sheet (Minors)**: For every minor that is bringing medications (to include vitamins & supplements). Complete & sign this form, then include it in a clear Ziploc bag with the child's medications/etc., which must be in their original bottles. Medication will be stored with the camp nurse and administered according to the instructions on this sheet.
5. Scholarship Application Link: This is how families request financial support. We recommend churches provide the first level of support, when possible. Fund raising is highly encouraged.
6. Church Organizing Form: This **must** be used to track & submit registration, forms, & fees for participants. Mail this fully completed form to the IBA on top of all organized forms **in the week of July 5**. **Plan ahead!**

> > | Pastoral recommendations & background check verifications required ! < <

We are happy to help with any questions & we look forward to this time with you!

Sincerely,

Matthew & Sara

PAC Co-Directors
