

WHY CAMP?

Life-changing decisions for Christ are made from salvation, to missions, ministry, & more!

Lasting relationships between your kids & leaders are built through church group gatherings!

A positive, Christ-centered identity is developed!

More Bible instruction is received at camp than six months of Sunday mornings!

Youth & adult volunteers grow massively as disciples & leaders for your church!

**And to top it all off...
Camp is fun!**

NOTE TO CHURCH LEADERS:

Each church should have one adult serving as their PAC Coordinator, who will organize, verify, & submit forms and money for camp.

Each church must bring at least 1 counselor for every 5 pre-teens.

All adult volunteers need their pastor's recommendation & a background check.

Youth who have completed grades 8-12 & may apply to serve as a "TOM" - Teen On Mission!

Plan early to make camp more affordable.
