

INTERSTATE
BAPTIST ASSOCIATION

April 16, 2020

Thank You!

BECAUSE YOU GIVE - WE HAVE DISASTER RELIEF IN OUR ASSOCIATION

After being deployed a number of times during 2017 and 2018 as a Leader, I have seen firsthand what disaster relief can do for a church.

In Rockport, Texas we deployed many of our members in different capacities: cooking, mud out, rebuild and incident command. All our team members interacted with the victims of Hurricane Harvey. They always ask the victims can we pray with you, and through our work in a two week period, 56 people came to Christ, thanks to our members. This led to an increased attendance in the church that hosted us. When we go, we help the church manage the incident and attempt to build the church within the community. So it is a win-win.

Your support of Interstate Baptist Association helps us maintain our trailer, provide local training, and always be ready to respond to local disasters, as well as national and international disasters.

Thank you!

Dave Hillison
IBA Disaster Relief Director
